O/O No :

Dated : 09.05.2019

Subject : Addendum to the NFA 2019/22334 Dated 25th Feb 2019 for Setting-up Two Training cum Production Centre in partnership with Government of Meghalaya

1. Background/Purpose:

1. To overcome the environmental issue and day to day usage of plastic bag, Government of Meghalaya wants to promote the usage of cloth bag as an alternative.
2. As a pilot, the state Government wants to set up 2 Production Centre and train women entrepreneurs in bag making in association with Usha International
3. We have conducted initial 10 days training for women entrepreneurs at Betasing, Ampati: West Garo Hills.

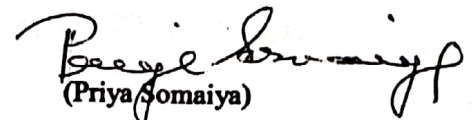

2. Propose:

1. Most of these women didn't had prior sewing experience. After training it was felt that women require hand holding support on regular basis.
2. It is therefore proposed that a trainer at both the Training cum Production centre should be deputed initially for 7 months to handhold the women. Once the sewing skills are enhanced 1-2 women will be shortlisted as Master Trainer.
3. Master Trainers will thereafter be responsible for scheduling classes, supporting and hand holding other women at the centre.
4. Cost will be borne by Government of Meghalaya.
5. All the above points need to incorporate in the agreement.
