(USHA Social Services)

To : The CEO
 From : USHA Social Services
 Dated : 22nd August 2019
 Subject : Addendum to NFA 2019/23709 for Conducting 2 days Refresher Training for 1010 Satellite Silai Schools

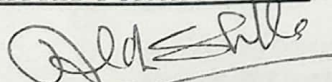

Background / Purpose: Providing training to women entrepreneurs of Satellite Schools by involving Master Trainers

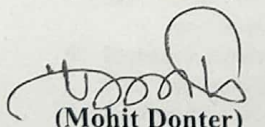

1. Satellite schools are being opened by learners of Classical Silai Schools
2. Every year since 2016-17 we are providing 2 days refresher training to the women entrepreneurs of Satellite Schools who have asked for two days residential training
3. The training program will orient them about the content of Silai School program, their role as a Silai School teacher and sustainability of their Silai School
4. As per plan, we have to open 40 SSS with Welfare Services Ernakulam (WSE), Kerala from the learners of 20 CSS opened last year.
5. Actually these 20 CSS were opened during March-19 exclusively for the flood affected people at Ernakulam district in Kerala. These 20 CSS are not functioning well and they not yet started training learners.

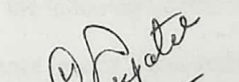

Propose:

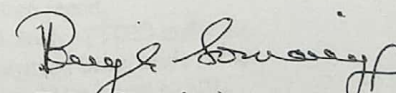

1. We can open these 40 SSS with Kottayam Social Service Society (KSSS) at Kerala and with Native Medicare Charitable Trust (NMCT) at Tamil Nadu addition to the existing plan (We have planned 40 SSS each with KSSS and NMCT).
2. The new plan would be 60 SSS with KSSS at Kerala and 60 SSS with NMCT at Tamil Nadu.
3. Revised Amount to be paid to KSSS & NMCT is Rs. 66,000 /- each for to open 60 SSS in Kerala & Tamil Nadu
4. We have planned to open 20 SSS with Mawana. As there there will be no financial transaction between Mawana & UIL. These expenses will done by our Program Coordinator. Amount of Rs. 22,000 /- needs to go as an advance to our program coordinator for opening of these 20 SSS in Mawana region.
5. Program Coordinator will submit the original bills against the advance taken.
6. There will be no additional cost implication to UIL.
